

Bajaj Finserv Banking and Financial Services Fund

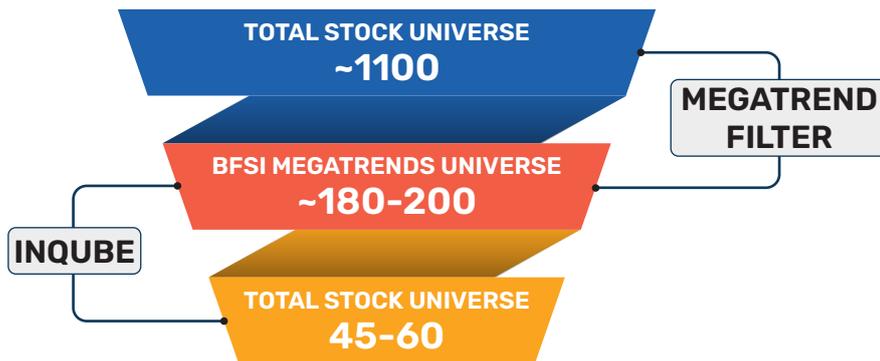

An open ended equity scheme investing in Banking and Financial Services sector

Data as on 27th February 2026

Portfolio Strategy

The Bajaj Finserv Banking and Financial Services Fund is an open ended actively managed equity scheme aims to provide long-term capital appreciation by investing 80-100% of total assets in equity and equity related securities of companies that are engaged in banking and financial services sector. The scheme would invest in stocks across market capitalization, however, may take concentrated exposure within the banking and financial services sector. The Fund aims to capture the wide-ranging investment opportunities presented by the banking and financial services sector which responds to lasting changes in the emerging and developed markets. The fund manager may not have any bias towards particular market cap or style in selecting investment opportunities.
